The Dinning Hall

Past

In past we were not have enough meals, and we were not all eat feeding scheme it was only poor ones. They were no fruit and vegies, in our school they were just a mothers who work for feeding scheme but now their many lady's work in dinning hall and they earn some salary.

Presently

Now everyone can get meals, we have some fruit and vegies pair daily we are getting healthy even if at home you did not eat healthy but here at school you can. Dinning hall teaches us table manners and ladys work in Dinning hall their friendly, Neat and patient for us because other children they are silly don't listen to them, but their still work. And as we are children we don't at their same at our homes athers are poor athers rich some they give them pocket money and they can budget for stationery and Dinning hall save for parents who are poor.
