Some of our tiny tots...

Pre-school Program

The pre-schoolers are having gross motor skill fun in the sun...

Kids handiwork...

The pre-schoolers had an exciting 1st term as can be seen below.

Baking Gingerbread ladies as part of learning body parts.

Faces with ears and noses.

Making bath salt as part of hygiene module.

Further pre-school activities

The kids love playing in the new sandpit. We want to thank Bronx mine for the sand and George Hertz for transporting it for us.

Group work...

Social Worker

Christian Social Services is sending a social worker to our centre every Monday afternoon. Margaret counsels with the children and their caregivers. She has started a support group for the caregivers.

Mobile Clinic

The Department of Health is sending a mobile clinic to the centre once a month. In March they did a training session on TB.

Ubuhle Cottage School

The kids attending our Cottage Home-school are doing so well.

Every Wednesday we bake and the kids love it.

We went on a school trip to the airport.

Learning through play.

Afterschoolers

The girls are making little bunnies in their sewing sessions every Friday afternoon.

Teacher Betty and the some of the after-schoolers.

The after-school children help dilligently in the vegetable garden. Thanks guys!

Vegetables from our garden
