TARGET 7: Halt and begin to reverse the spread of HIV/AIDS

TARGET 8: Halt and begin to reverse the incidence of malaria and other major diseases

goal 7 ensure environmental sustainability

TARGET 9: Integrate the principles of sustainable development into country policies and programmes; reverse loss of environmental resources

TARGET 10: Reduce by half the proportion of people without sustainable access to safe drinking water

TARGET 11: Achieve significant improvement in the lives of at least 100 million slum dwellers, by 2020

goal 8 develop a global partnership for development

TARGET 12: Develop further an open trading and financial system that is rule-based, predictable and non-discriminatory. Includes a commitment to good governance, development and poverty reduction — nationally and internationally

TARGET 13: Address the least developed countries' special needs. This includes tariff- and quota-free access for their exports; enhanced debt relief for heavily indebted poor countries; cancellation of official bilateral debt; and more generous official development assistance for countries committed to poverty reduction

TARGET 14: Address the special needs of landlocked and small island developing States

TARGET 15: Deal comprehensively with developing countries' debt problems through national and international measures to make debt sustainable in the long term

TARGET 16: In cooperation with the developing countries, develop decent and productive work for youth

TARGET 17: In cooperation with pharmaceutical companies, provide access to affordable essential drugs in developing countries

TARGET 18: In cooperation with the private sector, make available the benefits of new technologies — especially information and communications technologies
